Announcements

THANK YOU to everyone who was able to tune-in and worship with us via Facebook Live this past Sunday. In addition to our “local” congregation, we had folks from Georgia, Mississippi, New Mexico, North Carolina, Tennessee, Japan, and even our missionaries in Albania, watching the service on Facebook Live. We are thankful for YOU and for the technology that is allowing us to stay “in touch” through this season.

Thank you also to everyone who has given their tithe through online giving on the web-site (www.eastviewwesleyan.com), and to those who have dropped off their tithe at the church office. Online giving is an great option while we are practicing social distancing! However, if you’d rather not tithe online, you can mail your check to 414 N. 10th Street, Gas City, IN 46933, or you can drop it off in the box by Door #1. In this time of uncertainty, we really would like to be able to “keep the lights on” and pay our staff. Thank you in advance for continuing your generosity.

In light of the current federal recommendations (of no gatherings greater than 10), we are continuing our vigilance and meeting by phone or video until further notice (no in-person gatherings). This includes all small groups, children’s programs, youth group, church services, and special events. For the next few weeks we will be sharing our worship service on Facebook Live and the website. Also from time to time we will share other inspirational moments, Scripture, and prayer throughout the week on Facebook and the website, so check back often!

Pastor Melissa is hosting a Bible study with our Fusion youth group via the Bible Version app and Facebook. **Pastor Noah** and his team will also be providing object lessons and devotional moments for our IMPACT Kidz on Facebook. **Pastor Ken** and his shepherding ministry team will be reaching out to many in our congregation by phone to check up on them and to provide encouragement during this time of social distancing. If you are a small group or ministry leader, we encourage you to stay in touch with your folks by calling them each week.

So even though we are not meeting IN PERSON, we are planning to continue to encourage and communicate and minister, just in new and unique ways!

While these times are unprecedented and circumstances are fluid, we know that our God is bigger. We are inspired to see our people and communities come together to encourage and take care of each other.

- Ways that **YOU can help others** during this time is to
- **SEND** cards to those who are “shut-in” in their homes, nursing homes, etc.
 - **CALL** those who are not able to get out and ask if they need groceries or medicine picked up, etc.
 - **CALL** a different person each day to check on them and visit over the phone.
 - **POST** a favorite Scripture on social media.
 - **PRAY**... post your prayer online, organize a prayer meeting over the phone, via Skype, Facetime, etc.
