We are **THE CHURCH**

WORKING TOGETHER | BUILDING THE KINGDOM

Announcements

to everyone who was able to tune-in last week to worship with us on Facebook Live. We are thankful for the technology that allows us to worship with you and stay connected to our church family during this season. In addition to our “local” congregation, we had folks watching from around the U.S. and four other countries, with over 800 people tuning in!. Our prayer is that God will minister to our local congregation and to others across the country and the world! Keep tuning in, and invite someone to “attend church” with you!

Thank you to everyone who has continued to tithe. Online giving (on the website at www.eastviewwesleyan.com) is a great option while we are practicing social distancing! However, if you’d rather not tithe online, you can mail your check to 414 N. 10th Street, Gas City, IN 46933, or you can drop it off in the box by Door #1. In this time of uncertainty, we really would like to be able to “keep the lights on”, make and mature disciples, and pay our staff. Thank you in advance for your continued generosity.

Though farther apart,
we’re all in this
together!

- **SEND** cards to those who are “shut-in” (in homes, nursing homes, etc.).
- **CALL** those who are not able to get out and ask if they need groceries or medicine picked up, etc.
- **CALL** a different person each day to check on them and visit over the phone.
- **POST** a favorite Scripture on social media.
- **PRAY**... post your prayer online, organize a prayer meeting over the phone, via Skype, Facetime, etc.

Pastor Melissa is hosting a Bible study with Fusion youth group on Facebook and connecting each day with them online. **Pastor Noah** and his team are connecting with IMPACT Kidz and their families on Facebook. If you have a child (age PreK through Grade 5) make sure you join the IMPACT Kidz Facebook page! **Our entire staff** are calling folks in our congregation to check up on them and to provide encouragement during this time of social distancing. If you are a small group or ministry leader, we encourage you to stay in touch with your folks by calling them each week. It’s okay if people get more than one phone call a week!

Even though we are not meeting IN PERSON, we are continuing to encourage and communicate and minster, just in new and unique ways!
